## From the East:

Brethren of Etiwan Lodge No. 95,

As we progress through February and beyond the winter weather that has visited us twice this year, I hope that this newsletter finds you doing well. We have begun 2014 on a strong note, having had the honor of our Grand Master and his Officers in attendance at both our January and our February Regular Communications. We are privileged to have our Grand Master residing close to us and we look forward to his continued visits.

We have noticed a slight increase in attendance by the brothers of Etiwan Lodge at our Regular and Special Communications thus far in 2014, but we are nowhere near realizing our potential. Remember Brothers, we are a fraternal organization and as such gain strength and support from our regular gatherings – take advantage of the opportunities afforded to each of us.

We are currently in the process of reinstating a lodge website and will do so as soon as we have received Grand Lodge approval. We are also evaluating the best way(s) to keep the Brethren informed as to the goings on of the lodge.

I ask that each of you with an email address reach out to our Lodge email ([etiwanlodge95@gmail.com](mailto:etiwanlodge95@gmail.com)) and provide us with confirmation of your phone number and email address for our records. If you do not have an email address, you can call me directly at 843-814-1247 so that we know we have your

correct phone number in addition to your physical address.

In January, we initiated two Entered Apprentices. They are both well on their way with respect to their studies and we anticipate conducting a Fellow Craft degree in March – come on out and support the work being done and the newly made Brothers as they continue on their path towards more Masonic Light.

I look forward to a very rewarding 2014 at Etiwan Lodge, both as your Master and your Brother - and the value of that reward is magnified by the support and involvement provided by each member of this historic Lodge. Check your calendars and make an effort to increase your participation this year. If I can be of any assistance to you in any way, do not hesitate to ask.

Respectfully and Fraternaly,

Bob Heck, WM
